

Be Constructive, Lend a Hand!

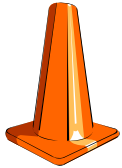

The Career Team is challenging each chapter to volunteer in their community. Our goal is to prepare members for their future careers by volunteering in their community and understanding the importance of what they're doing.

Rules:

1. Keep track of individual student volunteer hours on Activity form. (Make sure to have supervisor sign the form.)
2. Send up to five pictures and/or newspaper articles by April 1st to Mrs. Gerlach.
3. By April 1st tally the number of students from your chapter who volunteered and the number of hours volunteered.
4. Complete the chapter volunteer form below and send to Mrs. Gerlach by April 1st.
5. Volunteer time can be individual or in groups, but each student needs to fill out their own activity form.
6. Volunteer work cannot be for other FCCLA members.

Some of volunteer ideas for you to get you started are:

- Help with After-school programs
- Teach Sunday-school
- Babysit at parent-teach conferences
- Rake leaves
- Shovel sidewalks
- Help the elderly
- Etc.....

Be Constructive, Lend a Hand
